Doings of the McDuffs

FOOTBALL AT LINCOLN.
LINCOLN, Neb., 31.—The University of Nebraska football team will play Nebraska Wesleyan this afternoon in a game designed to keep the Cornhuskers in condition for the contest with Notre Dame here next Saturday.

CORVOVA, Alaska, Oct. 5.—(By Mail.)—After the war Alaska should profit by immense trade with Siberia, Governor Thomas Riggs, Jr., of Alaska, declared while here recently. Nome, Alaska, the governor said, is the logical point of supply for a vast region lying in Siberia just across the Bering sea. Southern Alaska should be able to send fish and forest products to the Russian territory.

YAKIMA, Wash., Oct. 27.—Creation of a national park about Mount Adams, with a view to regulation of grazing in that section, is the movement started by the Yakima Commercial club. The county engineer of Yakima county has prepared an estimate showing that a graded and gravelled road can be constructed from Yakima to Mount Adams for \$200,000.

Among the answers to questions at a school examination appeared the following: "Gross ignorance is 14 times as bad as any ordinary ignorance." "Anchorite is an old fashioned hermit sort of a fellow who has anchored himself to one place." "The liver is an infernal organ." "Vacuum is nothing with the air sucked out of it put in a pickle bottle—it is very hard to get."—Christian Register.
